

The Vision

Loving. Learning. Living like Jesus

The **Vision** for FAITH Church is to be a like-minded people committed to Loving, Learning, and Living Jesus (*see chart below*). We believe in a "Shepherding" Ministry (*Luke 15*) . . . to *discover the lost . . . recover the hurting . . . and restore the wandering sheep* of Gallatin and Sumner County, and, through passionate worship and purposeful discipleship, equip them to become completely committed followers of Jesus. The goal here is not to attract a crowd or win a fan base . . . it is simply to make disciples.

What does this look like?

You will find FAITH Church to be contemporary in its methods, conservative in doctrine and courageous in faith, as we strive to help and serve and meet the needs of our community.

You can expect FAITH Church to Equip and Encourage . . . our members to "live their faith and share their lives" in their homes, their neighborhoods, their work place, and in their communities.

You will experience FAITH Church as a place with a quality, warm, inviting Sunday morning worship service where people will feel comfortable inviting a friend.

By the sweet amazing grace of our Redeemer King, FAITH Church seeks to be a place where the

Hopeless find HOPE Helpless find HELP
Lonely find a FRIEND Lost find a SAVIOR

Our Mission

The Mission of FAITH Church is simple: Reach the Lost and Grow the Saved. As children of God, we must purposefully obey the Great Commandment of God (*"love the Lord your God with all . . . " Deut. 6:5*) and fulfill the Great Commission of God (*"go . . . make disciples . . . baptize . . . teach" Matt. 28:19-20*).

"The building up of the saved, and the winning of the lost are the purposes of our ministry, to the glory of God. But God must work *in us* before He can work *through us*" (*W. Wiersbe*). In essence, the statement could be rearranged to read: Grow the Saved to Reach the Lost.
